

Welcome to the 2018 golf season at Oak Hills! We've been working hard in preparation for the year ahead to grow as a business, and continue to make improvements to our operation, training, booking and course-play practices. This is a very exciting year for us as we welcome the addition of Canadian Golf Teaching Federation (CGTF) instructional clinics this season.

Golf course management has decided to focus on improvements during the off-season and your Membership Application will be available early the following year. By shifting our focus in this direction we are truly planning for success.

Planning for Success

This means we will:

- Operate efficiently at a high level of service for golfers
- Provide a first-class teaching facility for golfers of all skill levels
- Focus less on off-season sales and more on course improvements

We appreciate having you as a member. We wish to grow as a business, and we want your continued support. There are a lot of reasons to be a member outlined in the Membership Application Guide and Conditions in the pages to follow. When reading the Application Guide, you will see the tremendous advantages to being a member compared to being a green fee player. Additionally, the member conditions allow us to keep elements fun and enjoyable for everyone. By adhering to these conditions, you can help make our journey to success possible. As always, we thank you for your continued support while we make the Oak Hills Golf Club the absolute best it can be.

Here's to a great season ahead!

Sincerely,

Andrew Gunning
President
Oak Hills Golf Club Ltd.

Tournaments are not included, no charge member events and tournaments will be subject to the approval of the Oak Hills management.*
- All weekend and holiday (i.e. long weekend) membership play including events is now by tee time only. This includes the Monday and/or Friday of a long weekend.
- It’s a privilege for the club to have members, and a privilege to be a member. If you’re a member and not representing the club in a positive manner there is a process for removing your membership.

Booking Groups (leagues) – Considered a Blocked Time

We will accept your requests and verify your booking reservation. Please note you may get switched around due to unforeseen circumstances. For week-to-week group play, you are required to book a minimum of 7 days and a maximum of 14 days in advance providing a complete player list to admin@oakhills.ca. You must provide us with adequate notice if your numbers or groups change.

Special Tournaments/Events – Considered a Blocked Time

For booking special tournaments/events, the request must be submitted to admin@oakhills.ca. Approving a requested event date is dependent on course demand, schedule and confirmed number of players anticipated for that day, and is at the discretion of Oak Hills management. The clubhouse will confirm the requested date 21 days in advance, with your projected player list submitted to admin@oakhills.ca at this time. You must submit your final player list for these events to admin@oakhills.ca 7 days in advance. If your numbers are no longer high enough, your event may be subject to cancellation. No shotgun events are permitted on weekends or holiday long weekends.

Course & Member Expectations:

- Understand that green fee players may be playing behind you.
- Understand that everyone must respect the Pace of Play.

We expect that with this process in place, there will be less rescheduling of events. When booking, you must conform to our booking conditions at the discretion of Clubhouse management. This is in the best interest of all members, leagues and tournaments.

Usage of Clubhouse & Facilities:

The use of the Clubhouse cannot be assumed due to its multipurpose nature (i.e. non-member events). Club facilities are not designed for exclusive activity and the usage must be approved by Oak Hills management.

Second Floor:

The second floor is a separate business used for special events. To staff the main floor safely and properly, our employees cannot be running on both levels simultaneously. To operate both floors it doubles our operating costs. The second floor is available by rental only.

Driving Range:

- You must pay per use*
- All balls must stay on the range (do not take the balls with you)
- Absolutely no hitting balls when the range is closed for the safety of all staff.

Any member failing to respect these conditions will lose their range access.

****We’re introducing smaller, warm up buckets. Check with front desk for pricing.***

Blocked-Time

Blocked-Time is any regular, reoccurring group play that the club deems as "prime-time" Member events are also considered blocked-time.

A **blocked-time fee** is a one-time fee of \$150+hst applied to green fee golfers wishing to participate in regular Group Play.

There will be a very limited number of events approved where the blocked-time fee does not apply. The Oak Hills Golf Club Ltd. is willing to host a limited number of Open Play events, with the idea being to promote the club on these event days. The event must be booked in accordance with Membership Terms and Conditions and approved in advance by management.

Blocked-Time Guest Pass: Below you will find a one-time pass to invite a guest (a non-member) to participate in your league without them having to pay the blocked-time fee. The idea is to allow guests the opportunity to enjoy the club before either A) paying the \$150.00 blocked-time fee for regularly scheduled play or B) becoming a member. Please note: each guest is allowed only one pass per person. The guest must provide us with their name, phone number, the name of the member who referred them and the date.
